

Internship Munich Office

WHAT YOU CAN EXPECT AT LANSDOWNE & COMPANY:

Lansdowne & Company is an expanding and entrepreneurial international management consultancy firm with offices in Munich, Hamburg, Dubai, London, Los Angeles, Istanbul, Riyadh and Tokyo. Through our global network, we offer our interns the opportunity to develop as part of an internationally operating team and get to know the “true” daily routine of a consultant. Interns are actively involved in projects and work directly with our partners and senior consultants who mentor them continuously during the internship. You have the opportunity to prove & develop your analytical skills and your knowledge in part analyses and evaluations. Have an insight into our corporate culture and learn what it means to be part of a communicative and experience team.

WHAT WE EXPECT FROM YOU:

This internship is for university students in business administration or industrial engineering from the 4th semester on. We expect excellent MS Office skills, strong analytical and communication skills as well as motivation and resilience. You should furthermore be fluent in English and German.

If you are interested in working with Lansdowne, please send your cover letter and resume to careers@lanscomp.com and please visit our website for further information about Lansdowne & Company.
