on the acquisition of W.C. Rowe Ltd (Rowe's)

Lansdowne & Company conducted the commercial & financial due diligence for IICG, a renowned group of international investors, for the successful acquisition of W.C. Rowe Ltd.

Rowe's is an award-winning Cornish bakery business, whose flagship product is the hand-crimped Cornish pasty. Rowe's is one of only six major Cornish manufacturers accredited to produce Cornish Pasties to the EU's accredited PGI standard. The company distributes its premium products across the UK through its own-branded outlets, in-store concessions and leading retailers.
